[GRETТА] A sad and despondent loner, she struggles to move on despite the continual interference of others. Gretta is attractive and approximately 30 years old.

[GABRIEL] Gabriel loves his wife (Gretta) dearly, even as she gradually distances herself from him. Although frustrated, Gabriel remains an upbeat character. Gabriel is about 30-40 years old and an ideal husband and friend.

[CAMPBELL] A crass, disheveled, leech. Although wealthy, he is somewhat overweight and he looks like he has spent a lot of time in bad bars. He pesters Gabriel relentlessly over a long forgotten incident while frequently snarling lewd remarks at Lilly. Campbell is 40 - 50 years old. Everyone tries to ignore Campbell, hoping he will go away.

[LILLY] An energetic, sparkling, attractive 25-35 year-old. Lilly is willing to try anything, she loves the taste of life.

[NORN SISTER 1] A matronly stoic in control of every situation. She has no sense of humour and is rarely excited. Sister 1 is about 38-42 years old and thinks she looks good in a uniform.

[NORN SISTER 2] A diplomat. She is about 32-36 years old. She is congenial, well mannered, and polite but just a little obsequious.
She wanted to be a lawyer when she grew up.

[NORN SISTER 3] She is about 26-30 years old and, while observant, she is not renowned for intelligence. She sees only the good in life and has never worried about anything. Sister 3 is a ditz.

[MRS. IVORS] She is a rational well fed professional between the ages of 30-45. Over confident, Mrs. Ivors thinks she can sell ice to Eskimos and is willing to do anything to close the sale.

STORY LINE: Gretta's passion for life ended a year ago with the sudden death of her husband Gabriel. Her refusal to move on traps his spirit in the here and now. Lilly, a vibrant and intoxicating new acquaintance conspires with the Norn sisters to breathe life into Gretta. The ghost of Campbell, the lewd and crass drunk driver, also killed in the accident, hounds Gabriel for forgiveness. Letting go is not what it seems as they re-visit the single, violent moment that brought them together, the same moment that now drives them apart.
