The PSA is for the Look-out Shelter in North Vancouver, this will be televised on all major BC networks such as BCTV, CTV, CBS. This is unpaid work since it is a non profit organization.

[FEMALE] Roughly 20-25 years of age. Looks are not important, but she should be thin and preferably a brunette (but do not limit your suggestions). The woman is a homeless and is sitting on the pier looking at the people passing by with no care in the world... A voice-over will accompany this.
